ROUTES & SCHEDULES

*Destination Puget Sound!*

Take the scenic route with Sound Transit!

ST Express regional bus, Sounder commuter rail,  
Tacoma Link light rail serving **KING, PIERCE &  
SNOHOMISH** counties

# *Commute the Coastal Express!*

*See the Puget Sound on Sounder's new Everett-Edmonds to Seattle line.*

Sounder's new commuter rail service from Everett and Edmonds is one more component of Sound Transit's regional transit system. The system also includes commuter rail service between Tacoma and Seattle, Tacoma Link light rail, and dozens of ST Express regional bus routes in Snohomish, King and Pierce counties. Together with our transit partners, we offer some of the best options to travel the Puget Sound region.

# Regional T

Transportation partners in King, Pierce, and Snohomish counties are making transportation connections easier. Look for the "T" at regional transportation facilities. Each location will have:

- Regional connections to a variety of locations
- Opportunities to transfer between different services
- Peak hour and mid-day service options
- Regional transportation information
- Local service connections

This regional system is made possible in part by *Sound Move*, the 1996 voter approved plan of express bus, light rail, and commuter rail services.

Connections between these and other bus, inter-city train, and ferry services are improving mobility in Puget Sound communities

## Winter 2004

### Sounder service

Everett –Seattle service began this winter from Snohomish County. Each weekday a roundtrip from Everett and Edmonds stations brings commuters to Seattle's King Street Station. See page 113 for details.

Take Sounder's Home Run service to the Mariners on Sunday afternoons during the 2004 season. Visit us online for service details.

### ST Express service

Route 522 Woodinville – Seattle Express: Peak hour trips added.

Route 545 Redmond – Seattle Express: one weeknight trip added

Route 560 Bellevue – Sea-Tac/West Seattle Express: one weeknight trip added.

Tacoma Dome Station: Bus bays reassigned

### Tacoma Link service

Weekday service now begins at 5:40 a.m., to better serve early commuters.

## Holiday

For complete holiday schedules visit us online at [www.soundtransit.org](http://www.soundtransit.org).

ST Express regional bus operates a modified schedule on Presidents' Day. See page 126.

Sounder commuter rail operates a holiday schedule on Presidents' Day but does not operate on Memorial Day.

Tacoma Link operates a Sunday schedule on Presidents' Day and Memorial Day.

# Regional-T Facts

Look for the new Regional "T" icon identifying regional transportation hubs throughout King, Pierce and Snohomish counties. Riders can expect a wealth of services from stations with the Regional "T" including:

- Regional emphasis – regional connections to a variety of destinations
- Multiple system transfer opportunities – opportunities to transfer between different providers and modes of transportation
- Peak hour and mid-day service options – service to and from locations during a normal day
- Regional transportation information such as timetables and maps
- Center for local service connections

The Regional "T" has been developed by Sound Transit and adopted by the transit partnership that includes Sound Transit, King County Metro, Pierce Transit, Everett Transit, Community Transit, Amtrak, Washington State Ferries and the Washington State Department of Transportation.

## Fares & passes

### Fare Types

**CHILDREN:** Children under six ride free with a fare paying passenger.

**YOUTH:** age 6 to 18

**ADULT:** age 19 to 64

**SENIOR/DISABLED\*:** age 65 or older, qualifying disability

### Sounder commuter rail

If you are not using a pass such as PugetPass for your full Sounder fare, you must purchase a ticket, an upgrade for your pass, or an upgrade for your bus transfer at a ticket vending machine (TVM) immediately prior to boarding the train. TVMs accept cash, debit, VISA or MasterCard. For instructions on how to use the TVM see page 13.

### Sounder commuter rail fares

Two-Zones	\$2.00	\$0.50	\$0.50

\* Requires Regional Reduced Fare Permit. See page 7 for eligibility requirements.

## Sound Transit fare zone map

Sound Transit operates on a zone fare system. The cost of riding is based on how many fare zones you travel through and your fare type (adult, youth or senior/disabled). However, your fare for a single trip on Sound Transit will never be more than a three-zone fare.

### Example: Tacoma to Everett

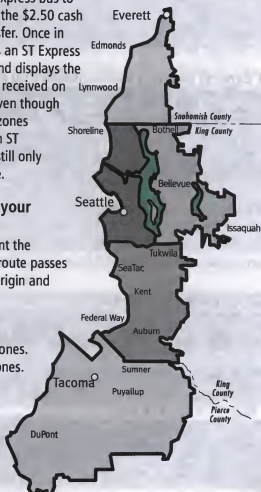

An adult boards an ST Express bus to Seattle in Tacoma, pays the \$2.50 cash fare and asks for a transfer. Once in Seattle, the rider boards an ST Express bus bound for Everett and displays the valid paper bus transfer received on the bus from Tacoma. Even though the rider travels in four zones during this single trip on ST Express, the full fare is still only \$2.50: a three-zone fare.

### How many zones is your trip?

On your route map, count the number of shades your route passes through, including the origin and destination zone.

### Example:

Tacoma to Seattle is 3-zones.  
Everett to Seattle is 2-zones.  
Bellevue to Seattle is 2-zones.

## **Regional Reduced Fare Permit**

Senior citizens and persons with disabilities may ride the bus or train at a reduced rate. You must show a valid Regional Reduced Fare Permit (RRFP) when paying a reduced fare. On the bus, the driver may ask to see the permit when paying the fare. On the train, the conductor may ask you to show the permit when inspecting passes and tickets.

A RRFP used alone is not valid for fare payment on any Sound Transit service. A RRFP with a valid King County Metro senior/disabled sticker is only valid on ST Express Route 550. The Metro sticker is not valid on any other ST Express service.

One personal care attendant (PCA) may ride for free but must board and leave with the reduced fare passenger. In addition, the reduced fare passenger must possess a RRFP with "PCA" indicated.

## **Senior/disabled fare eligibility permanent permit**

- sixty-five years of age or older; or
- currently certified by the Veterans Administration at a 40 percent or greater disability level; or
- possess valid Regional ADA paratransit card; or
- possess an obvious physical impairment(s) meeting the medical criteria for the program; or
- have certification from a physician, psychiatrist, psychologist, advanced registered nurse practitioner, physician assistant or audiologist as meeting one or more of the medical criteria established for this program.

## **Temporary permit**

- currently eligible for Social Security Disability benefits (SSDI) or Supplemental Social Security (SSI) due to a disability; or
- possess valid Medicare card from the Social Security Administration; or
- possess valid ADA paratransit card from outside the region; or
- currently participate in a vocational career program with the Washington State Individual Education Program (IEP).

Visit your local transit agency to obtain a RRFP. A senior citizen brings proof of age (65+), a person with a disability provides a valid Medicare card or proof of qualifying condition. The permit cost is \$3.

## **Tickets**

### **On Sounder commuter rail**

Only tickets issued by the ticket vending machine are valid on Sounder. A single trip ticket or Day Pass is valid only on the date of purchase. If you have a valid pass or valid transfer that does not cover the full Sounder fare, you must purchase a pass or transfer upgrade ticket from the TVM immediately prior to boarding. Bus tickets are not valid on Sounder.

### **On ST Express regional bus**

Sound Transit does not have a regional bus ticket program. Bus tickets issued by Community Transit, King County Metro and Pierce Transit are valid only on the ST Express routes each agency operates. Bus tickets are not valid on Sounder commuter rail.

- Community Transit (and Everett Transit) tickets are only valid on ST Express routes operated by Community Transit (510, 511, 513, 530, 532, 535).
- King County Metro tickets are only valid on ST Express routes operated by King County Metro (522, 540, 545, 550, 554, 555, 560, 564, 565).
- Pierce Transit Seattle Express and local tickets are only valid on ST Express routes operated by Pierce Transit (574, 582, 585, 586, 590, 591, 592, 594, 595). Local tickets are valid for one-zone fare.

For ticket information call (888) 889-6368 or (888) 713-6030 TTY.

## **PugetPass**

If you ride infrequently, paying cash or using a ticket or transfer may be all you need. If you have a roundtrip each weekday or ride several times a month, you should consider the convenience and money-savings of a PugetPass. PugetPass is accepted on Sounder commuter trains and Community Transit, Everett Transit, King County Metro, Pierce Transit and ST Express buses. PugetPass can be purchased for an amount that represents the typical price of the trip you are likely to take. It is available as a monthly pass in all denominations. Some trip values are available in a three-month or 12-month pass.

## Purchasing PugetPass

For information about PugetPass, including locations of sales outlets, pass-by-mail or online sales call (888) 889-6368 and select ST Express, then select the transit agency in your county. For information on how to purchase Sounder passes or tickets, call (888) 889-6368, select Sounder then select Sounder fare information.

The all-day pass is available for sale on board ST Express Route 550 and King County Metro routes on Saturdays, Sundays and holidays only. The pass cost \$2.50 and is valid for \$1.25 fare on Sound Transit ST Express and Sounder, Community Transit, Everett Transit, King County Metro and Pierce Transit, on weekends and holidays only. However, King County Metro's fare programs such as the visitor pass and family plan are not valid on Route 550 or any Sound Transit service.

## How to use PugetPass

### On ST Express

Swipe your PugetPass through the farebox or show your PugetPass to the driver as you board. Follow the driver's direction to pay when you enter or leave the bus. If the bus fare is higher than the dollar amount shown on your PugetPass, place the additional cash in the farebox. You may also combine more than one valid pass to pay a higher fare. You may not use a transfer in combination with a pass. If you pay a reduced fare you must show a valid Regional Reduced Fare Permit.

### On Sounder

If the fare is higher than the dollar amount shown on your PugetPass, you must purchase a pass upgrade at the ticket vending machine (TVM) located on the station platform. If you pay a reduced fare the conductor may ask you to show a valid Regional Reduced Fare Permit.

\*\* Washington State Ferry fares are subject to change. Visit their Web site at [www.wsdot.wa.gov/ferries](http://www.wsdot.wa.gov/ferries).

## Other passes

Other passes like PugetPass, GoPass and FlexPass are honored for face value toward any fare on Sound Transit services. If the face value of your valid pass is less than the actual fare, you must pay the difference.

**On ST Express**, the rider pays the remaining fare by putting the additional cash into the farebox.

**On Sounder commuter rail**, the rider must purchase a pass upgrade ticket from the ticket vending machine. No tickets or passes are sold on the train.

**UPass** (University of Washington) and **Microsoft FlexPass** are valid for full fare on Sounder and ST Express services.

## Law Enforcement Officers

On ST Express services operated by Community Transit and King County Metro, all commissioned police officers employed by law enforcement agencies in our service area can ride free, at anytime, by displaying a police badge or police identification card.

On ST Express services operated by Pierce Transit and Sounder commuter rail, all commissioned police officers employed by law enforcement agencies in our service area can ride free, at anytime, when in uniform.

## Ride Free Area

The Ride Free Area (RFA) is in effect daily from 6 a.m. to 7 p.m. in Downtown Seattle. The RFA boundary detail is on the Downtown Seattle map inside back cover. The bus tunnel and all of its stations are in the RFA. Do not pay when you board in RFA; fares are paid when exiting the bus after it travels outside the RFA. The bus operator will announce the last stop in the RFA.

## **Transfers**

An ST Express regional bus transfer is issued upon request when paying with cash or tickets or when presenting a valid transfer from Community Transit, Everett Transit, King County Metro or Pierce Transit. A rider paying cash to upgrade their pass is also eligible for a transfer. No transfer is issued when using only a pass to pay the fare. The ST Express transfer will be punched based on the zone fare paid (one-, two- or three-zone).

### **Using partner agency transfers on ST Express**

Valid transfers from Community Transit, Everett Transit, King County Metro and Pierce Transit are accepted on ST Express as a one-zone ST Express fare (Adult \$1.25, Youth \$0.75, Senior/Disabled \$0.50).

### **Using ST Express transfers on partner agency service**

Valid transfers from ST Express are accepted on Community Transit, Everett Transit and Pierce Transit for a local fare. King County Metro accepts ST Express transfers as a one-zone fare.

### **Using Sounder tickets and fare upgrades on bus service**

A Sounder single-trip ticket or fare upgrade is valid for face value on ST Express bus services. A Sounder single-trip ticket or fare upgrade is valid for a one-zone fare on King County Metro and a local fare on Community Transit, Everett Transit and Pierce Transit bus services. The ticket must be used prior to the expiration time on the ticket. Show the ticket to the bus driver when boarding and surrender the ticket to the driver upon request.

### **Using bus transfers on Sounder**

Bus riders who pay cash or use a bus ticket may obtain a paper transfer from the bus driver to use toward a Sounder fare. An ST Express transfer is valid for the fare paid on ST Express. The transfer will be punched as one-, two- or three-zone fare.

Valid bus transfers from Community Transit, Everett Transit, King County Metro and Pierce Transit have the following values that can be applied toward a Sounder trip: Adult \$1.25, Youth \$0.75, Senior/Disabled \$0.50.

Valid bus transfers must be upgraded to a full Sounder fare at the station's ticket vending machine (TVM) prior to boarding Sounder.

Based on the value of your transfer, select "transfer upgrade" to equal the full Sounder fare. Keep both the transfer and the upgrade ticket from the TVM as proof of payment.

## Ticket Vending Machine

Tickets, passes and fare upgrades are available at the ticket vending machine (TVM) located on the Sounder station platforms. The TVM accepts cash, debit card, MasterCard or VISA. Allow extra time to purchase your fare. Or take advantage of several new ticket options:

- Advance tickets – Purchase a Day Pass (roundtrip) up to 14 days in advance. Purchase limited to one future date per transaction. Also limited to total value of \$500 or ten tickets.
- Multiple tickets – Purchase multiple tickets of the same ticket type and fare zones. Purchase limited to total value of \$500 or ten tickets.
- Special event tickets – Select any scheduled special event trains date. A special event ticket can be purchased as a Day Pass (roundtrip) or single trip (one way) tickets. Limited to \$500 per transaction.
- There are no refunds or replacements on TVM-issued tickets including advance, multiple or special event tickets.

Tickets, passes and upgrades are valid for the date(s) and starting at the time and date printed. Single trip (one-way) and Day Pass (roundtrip) tickets are valid on date of purchase. One- or two-week passes are valid beginning on date of purchase for 7 or 14 days, respectively. Monthly passes are valid for the calendar month. Monthly passes may be purchased from the 15th of previous month to the 14th of valid month. Example: A May pass may be purchased from April 15th to May 14th and is valid May 1 – 31.

### Quick Ticket

If all you need is an adult single-trip ticket, use the Quick Ticket buttons on the lower left-hand portion of the initial TVM screen. It allows you to buy a one-, two- or three-zone single trip (one-way) adult ticket with cash, debit, VISA or MasterCard. For all other purchase options follow the easy onscreen instructions.

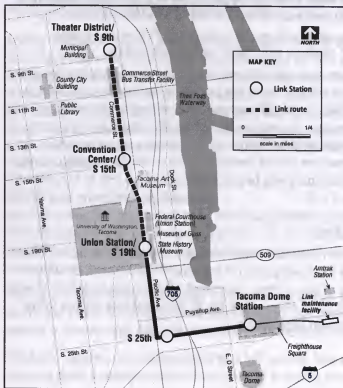

# Tacoma Link light rail

Getting around downtown Tacoma—and the region—is a lot easier with Tacoma Link. Sound Transit's new light rail system connects the Tacoma Dome Station (a regional hub for local and express bus, and commuter train service) with downtown Tacoma. Link trains will run every 10 to 20 minutes, and best of all they're free!

## Schedule

EFFECTIVE FEB 2, 2004 – JUN 6, 2004

Day	Time	Frequency
Mon-Fri	5:40 a.m. – 8 p.m.	Every 10 minutes
Saturday	8 a.m. – 11:30 p.m.	Every 10 minutes
Sunday	10 a.m. – 10:00 a.m. 11:30 a.m. – 6:30 p.m. 6:30 p.m. – 8 p.m.	Every 20 minutes Every 10 minutes Every 20 minutes

## **How to Ride Link**

- No fare required.
- Check train times and station locations.
- Stand behind yellow tactile warning strip at station.
- Link trains will stop at every station.
- Doors open automatically. If the doors don't open, push the button next to the doors to open them.
- Do not hold the doors open once they've started to close.
- Use handrails, when standing; do not stand on the stairs.
- Allow persons with disabilities and senior citizens priority seats.
- Do not disturb the train operator while the train is in motion.
- Use the emergency intercom on the train to alert the train operator of any emergency situation.
- Take your personal belongings when you deboard.
- All passengers must deboard at the last station on the route.

## **Passenger Courtesy**

To help make everyone's ride on Tacoma Link enjoyable and safe:

- keep feet off seats
- service animals are allowed; no pets are allowed
- smoking is not allowed on the train
- alcohol is not allowed on the train
- carry food and drinks in closed containers
- shirts and shoes must be worn at all times
- listen to audio equipment with headphones only
- remain with bike at all times
- no hazardous, explosive or corrosive materials are allowed
- no weapons or firearms are allowed
- no soliciting
- no littering.

# ST Express regional buses

ST Express buses provide fast, convenient, comfortable, frequent and two-way service to destinations throughout the region.

## ***Route 560 Bellevue – West Seattle via Sea-Tac Airport Express.***

***Start your next vacation with a smooth, comfortable  
ride to the Airport on ST Express.***

Route 560 provides seamless connections across the county. Trips to the airport are about 45 minutes from Bellevue and 40 minutes from West Seattle during rush hour.

This route provides expanded east-west express service between Renton and Burien, so you can connect to local as well as other regional travel destinations. Travel time between Renton and Burien is about 25 minutes.

## ***Weekday service***

**ST Express Route 560 offers frequent all-day service between Bellevue, the Seattle-Tacoma International Airport and West Seattle. New connections have also been added between Burien and Renton. Service runs about every 30 minutes from before dawn to after dusk.**

## ***Weekend service***

**ST Express expanded weekend service is an option for vacation travel. Now you can start enjoying your R & R early on one of our comfortable coaches. All-day hourly service is available to and from the airport Saturday and Sunday.**

*Unclutter your commute  
with ST Express*

## ***Route 582 and 585*** Tacoma – Puyallup –

***Route 582*** is your connection to Bonney Lake, Sumner, Puyallup and Tacoma. Buses run about every hour, seven days a week and every 30 minutes during peak hours on weekdays.

***Route 585*** is your connection for the South Hill Mall, the Lakewood Towne Center, Sumner and Auburn. Buses run about every 30 minutes during peak periods and hourly at other times on weekdays.

## ***Sumner – South Hill – Auburn – Lakewood – Bonney Lake***

### ***Your connection to the region***

Routes 582 and 585 connect to Sounder commuter rail stations as well as other ST Express bus routes that can take you throughout the region. Stops at the Puyallup Station and Sumner Station can connect you to Seattle, Tukwila, Kent, Auburn and Tacoma, and to the regional transit hub at the Tacoma Dome Station. From there you can connect to 17 frequently running routes and travel throughout King, Pierce, and Thurston counties.

### ***ST Express***

Sound Transit is making waves with its fleet of express buses carrying more than 26,000 riders every weekday. ST Express routes serve the urban centers throughout the region and connect with local service operated by other transit agencies.

## *The ultimate express lane.*

Commuting between **Everett, Edmonds and Seattle** just got a lot more exciting.

Instead of bumper to bumper traffic, you can fly along steel rails on a modern, comfortable train. (Sounder is equipped with cushy seats, luggage racks, laptop plug-ins and more.)

Sounder is another step forward in the Sound Transit regional plan—which also includes train service between Seattle and Tacoma; Tacoma Link light rail; and dozens of ST Express bus routes in Snohomish, King and Pierce counties.

So for your next trip between Everett, Edmonds and Seattle, hop aboard Sounder. And instead of crawling through traffic, fly by it.

# Sounder commuter rail

Sound Transit's rush-hour trains operate Monday through Friday with three morning trips north to Seattle and three afternoon trips south to Tacoma. Plus new service from Everett with one morning trip south to Seattle and one afternoon trip north to Everett. Amenities include worktables and computer plug-ins, fully accessible restrooms in each car and cup holders.

# Accessibility

## **Citizens' Accessibility Advisory Committee**

Sound Transit's goal is to improve and provide comprehensive and reliable accessible transit services to all who live in the service area. Through work with its Citizens' Accessibility Advisory Committee, Sound Transit is committed to designing services that are simple and safe for all, including seniors and persons with disabilities. The group meets monthly at Sound Transit in Union Station, downtown Seattle.

## **Regional Accessible Transit Guide**

The Regional Accessible Transit Guide (RATG) contains information on accessible transit for senior citizens and persons with disabilities. The information regarding paratransit and fixed-route transit service covers the three-county Central Puget Sound region. It is available online at [www.ratg.org](http://www.ratg.org). Print versions may be obtained from local transit agencies.

## **Priority Seating**

Priority seating Designated seating is available on ST Express, Sounder and Tacoma Link services for senior citizens or riders with disabilities. If other passengers are using these seats, the operator or conductor will politely ask them to move.

## **Regional Reduced Fare Permit**

Using a Regional Reduced Fare Permit, people with disabilities can ride ST Express and Sounder services at a reduced rate. See page 7 for eligibility requirements.

## **Sounder commuter rail**

Sounder trains, stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs, scooters or with young children in strollers. Each car has a wheelchair area and accessible restrooms.

For assistance boarding the train, wait at the top of the accessible ramp located on each platform. The train conductor will deploy a boarding ramp to help riders safely board the train. Board the train only when the boarding ramp is in place.

## **ST Express regional bus**

ST Express buses are fully accessible. Buses are equipped with ramps or wheelchair lifts. Operators are trained and available to help riders upon request. Operators call out stops along the route. Contact your local transit agency to learn how you can practice riding ST Express bus and receive more information about routes and schedules. See page 128 for contact information.

## **Tacoma Link light rail**

Link stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs, scooters or with young children in strollers. Each car has four accessible seating areas.

- Every train has a low-floor car equipped with accessibility bridgeplate.
- Reader boards and audio announcements indicate the next station stop.
- In case of emergency, use the intercom to talk to the operator.
- Operators are trained and available to help riders upon request.
- Service animals are allowed at all times.

### **Boarding the train**

- Wait in view of the Link train operator.
- Look for the accessibility symbol on the door equipped with a bridgeplate.
- Press the blue button to deploy the bridgeplate.
- If the doors are already open, they will close and then the bridgeplate will deploy.
- Wait for the bridgeplate to deploy, then board.

### **On board the train**

- Each car has four accessible areas.
- In case of emergency, use the intercom to contact train operator.
- Push on the bridgeplate request strip prior to your destination.

# Safety

## Tacoma Link light rail safety

Not only will Tacoma Link be convenient and simple to use, it will also be safe and reliable—especially if you follow a few common-sense rules.

### Be Safe, Look, Listen, Live!

- Link trains are electric and very quiet. You may not hear them coming.
- Whenever you are around trains or tracks, be alert. Watch for trains on any track, in any direction, at anytime.
- Always look both ways. Trains travel in both directions on any track. After a train passes, another train may be coming from the opposite direction.
- Do not walk, stand or park a vehicle on the tracks – trains can show up at any time.
- Always stand behind the tactile yellow warning strip at station platform

### When walking:

- cross the street and tracks at designated crosswalks only
- keep away from track or rail switches; switches can move at any time even when the train is not in the area
- stay alert when you exit the station; watch out for other trains, cars and trucks.

### When driving or bicycling:

- stop and wait for the train to pass when the “train sign” flashes
- obey all traffic signals and all street signs
- make left or U-turns only at authorized intersections
- cross tracks only at designated crossings
- wait until you are in the intersection to turn left or right
- never race a train or try and beat it at an intersection.

**When on the train:**

- stand back while the train doors open and close
- use handrails
- watch your step – especially in cold or wet weather
- allow disabled passengers priority seating
- wait for Link trains at designated stations only
- do not attempt to hail Link trains from areas not designated as stops.

**When on the bus:**

- be cautious when making a connection to or from Pierce Transit or ST Express buses
- do not dart in front of the bus and into the path of the Link train
- wait for buses at designated stops only
- do not attempt to hail buses from areas not designated as stops.

**Sounder safety**

For your safety, always look, listen and obey! It's simple advice that could save your life!

**Obey Warning Signs:** When the train crossing gate is down, wait until the train passes, and the gate comes up before proceeding across the tracks. If the gates are down, another train may be approaching on the second track. Always assume that another train is arriving as the first train departs.

**Look Both Ways:** When the last car of a train passes and the signals stop and gates come up, don't proceed across the tracks until you are certain trains are not coming in either direction.

**Optical Illusion:** Take time to double check! The train you see may be closer and moving faster than you think. Passenger trains can operate at speeds of up to 79 miles per hour in some areas.

**Stopping Distance:** Be aware that passenger and freight trains cannot stop quickly. Even if the engineer sees you, a train moving at 55 to 79 miles per hour, can take a mile or more to stop once the emergency brakes are applied.

## **Sounder Safety**

**Trespassing:** Never trespass on train tracks or walk on train tracks as a short cut. Train tracks are not public pathways. It is illegal to walk on or cross a train track except at a designated public crossing.

**Parked Trains:** Never cross between, under or walk around a parked train. This is very dangerous. The train may move without warning. Wait for the train to move or proceed to the next designated pedestrian crossing.

**Warning Strips:** Warning strips are located at the edge of all Sounder station platforms. Stay behind them at all times. Hold hands with small children and keep them back from the tracks. Some trains pass through Sounder stations at high speeds without stopping.

**Quiet Operation:** Modern commuter trains are very quiet with no telltale "clickety-clack" sound. Don't assume you can hear them approaching. Trains are sometimes pushed by locomotives instead of being pulled so the engine noise is further away.

**Never Race a Train:** Even in a tie you'll lose.

### **When on the platform:**

- look both ways and cross tracks only at designated areas
- stand behind the safety strip at the edge of the platform
- never take shortcuts across the tracks
- hold small children by the hand while on the platform
- in case of emergency, contact the security officer.

### **When on the train:**

- never attempt to exit a moving train
- hold on to handrails and watch your step
- let passengers exit before boarding the train
- clear the doors completely when boarding or exiting
- do not block seats or aisle with belongings
- in case of emergency, contact the conductor
- no running on board the train
- no hazardous, explosives or corrosive materials allowed.

## **Regional Express safety:**

Be safe!

- Never attempt to board or exit a moving bus.
- Buses will not stop once they leave a bus stop.
- Allow passengers to exit the bus before you board.
- Keep the aisles clear of packages and personal items.
- As you leave the bus watch for other motor vehicles.
- Wait for bus to pull away before crossing street.
- Wait only at designated bus stops.
- Do not attempt to hail a bus from an area not designated as a stop.
- Do not run after a moving bus.

## **Animals**

Service animals assisting persons with disabilities are allowed at all times on ST Express, Sounder and Tacoma Link services. ST Express regional bus allows small pets in containers but no other pets are permitted. Sounder commuter rail and Tacoma Link do not allow pets, only service animals.

## **Lost & found**

For items lost on **Sounder**, call (888) 889-6368, select the Sounder option then select Lost & Found. Found items are held for 10 business days in Sound Transit's security office located in the Union Station Concourse, 401 S Jackson St, Seattle. Security office hours are Monday through Friday from 7:15 a.m. to 5:30 p.m.

For items lost on **ST Express**, call (888) 889-6368, select ST Express, then select the transit agency that operates your route. If found, your item will be held by that agency (see page 128).

For items lost on **Tacoma Link**, call (253) 581-8149 or (888) 713-6030 TTY. Pierce Transit manages items found on Tacoma Link on behalf of Sound Transit. Found items are held for 10 business days in the customer service office, at the Tacoma Dome Station South, on 505 East 25th St. Hours are Monday through Friday from 6 a.m. to 7 p.m.

## Bike information

**Sounder commuter rail** Each Sounder car is equipped with tie-downs for two standard-size bikes. Four to six bikes can be stored in wheelchair-priority areas if unoccupied. Board at the doors marked with a bike symbol. Bike storage is immediately inside the marked doors. Storage on Sounder trains is allocated on a first-come, first-serve basis. Your bike may need to be moved to make room for a rider with a disability. Riding bicycles is not allowed on Sounder platforms.

**Bike lockers** To reserve a bike locker at Sounder stations or DuPont Station call Sound Transit (800) 201-4900 ext. 5353. There is a \$15 non-refundable maintenance fee. A locker will be reserved for up to one year. Bike lockers at the Tacoma Dome Station are handled by Pierce Transit. Call (253) 581-8000 or (800) 562-8109 for details.

**ST Express regional bus** ST Express vehicles are equipped with bike racks mounted on the front of the buses. Bikes must be placed on the bike racks by the riders. Bikes are not allowed inside ST Express buses. When you are ready to leave and claim your bike, please exit using the front of the bus. Notify the operator that you wish to unload your bike.

**Tacoma Link light rail** Bikes are welcome onboard Link. Allow other riders to exit and enter the train first. Remain with your bike at all times; do not block stairs or aisles. Yield priority-seating to passengers with disabilities and to senior citizens. Bike riding is not allowed on Link station platforms. The train operator may require bicyclists to wait for the next train due to overcrowding,

**Ride Free Area** No bikes may be loaded or unloaded in the Ride Free Area (RFA) daily from 6 a.m. to 7 p.m. On routes making the first or last stop inside the RFA, customers may load or unload bikes at those stops. Tunnel stops for bike users are Convention Place Station and International District station at all times. See RFA map on back panel.

**BikeStation** For secure bike parking near King Street Station visit the new BikeStation at 311 Third Avenue South. For more details visit [www.bikestation.org](http://www.bikestation.org) or call (206) 332-9795.

## Holiday service

For complete holiday schedules visit us online at [www.soundtransit.org](http://www.soundtransit.org).

On Memorial Day, Monday, May 31, ST Express regional buses will operate on a Sunday schedule; Sounder commuter rail does not operate; Tacoma Link light rail will operate on a Sunday schedule.

## Adverse weather or emergency

In case of inclement weather or emergency, such as an earthquake or snow, listen to your local AM radio station. Check the Regional Public Information Network (RPIN) at [www.govlink.org](http://www.govlink.org) for transportation alerts. Visit [www.soundtransit.org](http://www.soundtransit.org) for service information.

**Sounder trains** will operate regular commuter service during adverse weather. If major adverse weather occurs early in the day, one afternoon southbound train may be scheduled, departing King Street Station at 1:55 p.m.

**ST Express regional bus** routes are operated by Community Transit, King County Metro and Pierce Transit. They will maintain routes and schedules to the best of their abilities. Be aware of potential delays and possible reroutes.

**Tacoma Link light rail** will maintain service to the best of their ability. Be aware of potential delays.
